

$\mu = 2.5 \pm 0.2$

The figure consists of two parts. On the left is a technical drawing of a mold cavity, showing a cross-section of a rectangular block with a central vertical cavity. The cavity has a wider base and a narrower top section. On the right is a table with two columns: '製品コード' (Product Code) and 'CAVITY NO. MARKING'. The table lists 12 cavity numbers, each corresponding to a product code.

| 製品コード        | CAVITY NO. MARKING |
|--------------|--------------------|
| CL541-0719-7 |                    |
| CL541-0720-6 |                    |
| CL541-0721-9 |                    |
| CL541-0722-1 |                    |
| CL541-0723-4 |                    |
| CL541-0724-7 |                    |
| CL541-0725-0 |                    |
| CL541-0726-2 |                    |
| CL541-0727-5 |                    |
| CL541-0728-8 |                    |
| CL541-0729-0 |                    |
| CL541-0730-0 |                    |
