# HellermannTyton

# Specification Sheet

Part Number: TYHC34-66

Handi-Cards have a split backing so that a portion of the liner can be removed to expose the markers for easy dispensing.
Handi-Cards are kitted on the card so that specific markers can be removed without affecting the other markers on the card.

Markers are pre-printed so no additional post printing is required, saving time and money.

Label material is a conformable cloth that ensures markers stay on wires and cables for the life of the application.

Handi-Card Wire and Cable Markers, 0.25" x 1.5", Sequence #34-66, 33 Per Card, TYHC, White, 25/pkg
