## Technical data

### Product properties

|              |               |
|--------------|---------------|
| Product type | Sealing plugs |
|--------------|---------------|

### Dimensions

|                     |                                                                                    |
|---------------------|------------------------------------------------------------------------------------|
| Dimensional drawing |  |
| Length              | 30 mm                                                                              |
| Diameter            | 27 mm                                                                              |

### Material specifications

|          |    |
|----------|----|
| Material | PA |
|----------|----|

### Cable/line

|              |     |
|--------------|-----|
| Halogen-free | yes |
|--------------|-----|

### Environmental and real-life conditions

|                                 |                   |
|---------------------------------|-------------------|
| Ambient conditions              |                   |
| Ambient temperature (operation) | -60 °C ... 100 °C |

### Mounting

|                       |                                                                                                                         |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------|
| Assembly instructions | The head of the sealing plug must still be visible after mounting in the screw connection (see "after mounting" photo). |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------|
