

# 075-50158

## Product Details

### Features

JL10 Series Gasket, Applicable shell size: 20

|                                |           |
|--------------------------------|-----------|
| Part Number                    | 075-50158 |
| Status                         | Active    |
| Number of Positions            | -         |
| Rated Current                  |           |
| Rated Voltage                  |           |
| Waterproof/ Non-waterproof     |           |
| Applications                   | -         |
| Connector Type                 | Accessory |
| Connector Style                | Gasket    |
| Contact Type                   |           |
| Wire Termination Method        |           |
| Applicable Wire Size (AWG)     |           |
| Coupling Style                 |           |
| Contact Size                   |           |
| Shell Size                     | 20        |
| Contact Arrangement Code       |           |
| Contact Size X No. of Contacts |           |

|   |  |
|---|--|
| Alternative Insert Position (deg.)        |  |
| Material of Contact                       |  |
| Finish of Contact in Connecting Area      |  |
| Dielectric Withstanding Voltage (1minute) |  |
| Insulation Resistance                     |  |
| Mating Cycles                             |  |
| Applicable Contacts                       | 20   |
| Applicable Accessory                      |  |
| Applicable Product Part Numbers           | JL10-2A20-29*, JL10-2E20-18P*, JL10-2E20-4P* |
| RoHS compliant                            | 10 substances (2011/65/EU)                   |
| REACH compliant                           |  |
| Remarks                                   |  |
