TE CONNECTIVITY (TE)

TLM 0805 0.25W R012 5% 100PPM 5K RL

[CGS](#) | [TLM](#)

TLM2AER012JTD

TE Internal Number: 2176155-2

[Always EU RoHS/ELV Compliant](#)

Resistor Type **Current Sensing Resistor**

Size Code **0805**

Packaging Method **Taped & Reeled**

Tolerance **5%**

Resistance (Ω) **.012**

English

Product Type Features	Resistor Type	Current Sensing Resistor
	Size Code	0805
	Product Type	Fixed Resistor

Electrical Characteristics	Tolerance	5%
	Resistance (Ω)	.012
	Power Rating (W)	.25

Usage Conditions	Temperature Coefficient (ppm/°C)	±100
------------------	----------------------------------	-------------

Packaging Features	Packaging Method	Taped & Reeled
--------------------	------------------	---------------------------

Product Compliance	Statement of Compliance PDF
--------------------	--
