

NewEnergy®

1015-1038-1 Bare Starboard

Data Sheet

Version 1.1

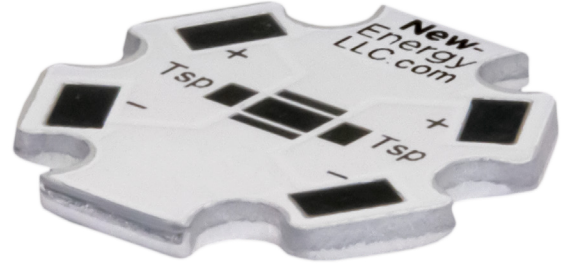

Lean & Fast. Made Smarter.

Superior Performance – Stay current with the highest intensity LEDs

Design Faster – Use industry standard starboards to shorten development time

Maximum Flexibility – Design to your exact specifications using NewEnergy starboards

Rapid Innovation – Work with NewEnergy on your custom solution

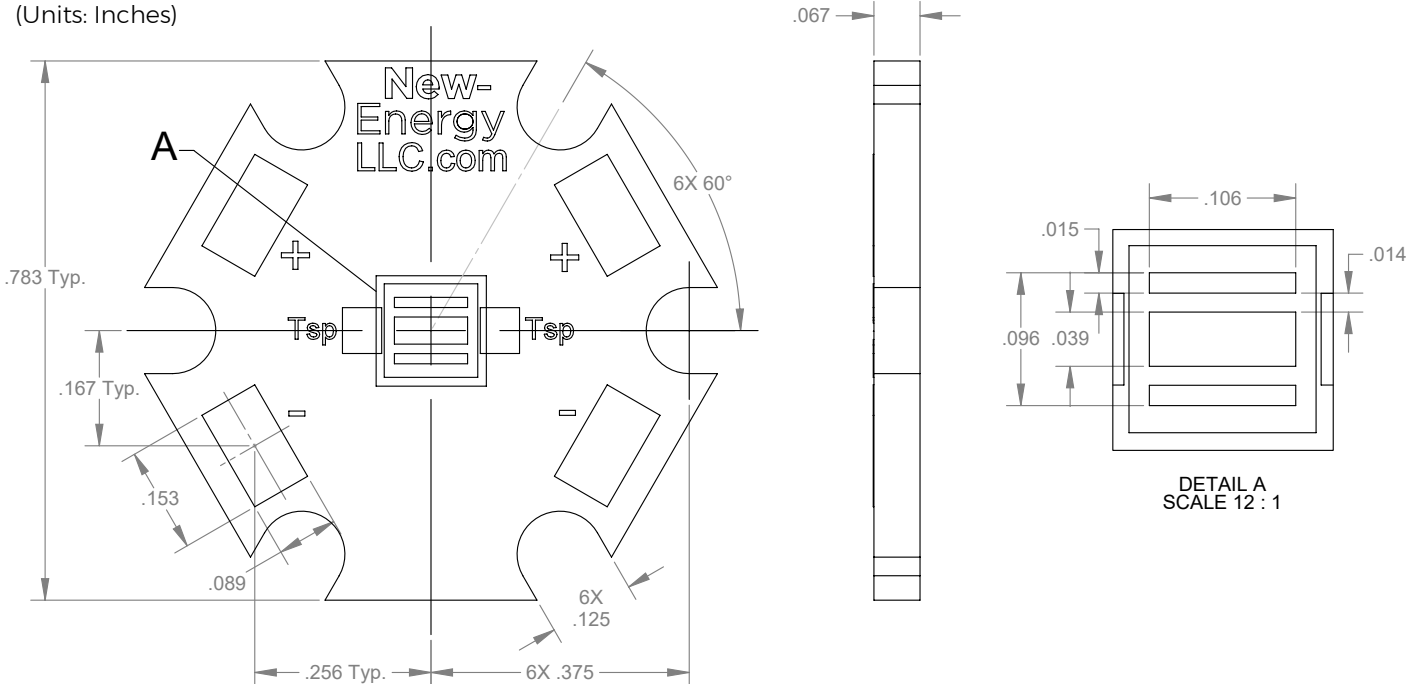

Compatible LEDs

Manufacturer	Compatible Models
Luminus	SST-20 (B Package), SST-10-UV (B Package), SST-10 Color (B Package)
Lumileds	Luxeon IR Domed
Osram	Oslon Black, Oslon SSL120, Oslon Square, Oslon SSL80, Oslon SSL150

Mechanical Dimensions

(Units: Inches)

MCPCB Fabrication

- 2oz copper
- 5052 Al
- White solder mask
- HASL Finish
- ROHS Compliant

Last Modified: 01/18/2024
