

Part Number ?

HOME>IL-WX-12S-VF-B-E1000E

Product List

Product Name	IL-WX-12S-VF-B-E1000E
Status	Active
RoHS compliant	Yes
Series Name	IL-WX Series
Contact pitch (mm)	0.8
Number of positions	12
Number of rows	2
Connector types	Socket receptacle
PCB mounting method	Soldering (SMT)
PCB side connector styles	Straight
PCB mounted height (mm)	3.25
Finish of contact in connecting area	Tin or Tin-alloy plating over Nickel
Material of insulator	Glass filled PPS
Material of contact	Copper alloy
Finish of contact in PCB mounting area	Tin or Tin-alloy plating over Nickel
Existence of polarization key	False
Existence of location boss	False
Existence of hold-down	False
Existence of mounting ears	False
Existence of hook-pin	False
Packing type	Embossed tape packaging
Remarks

Notice:

1. The values specified in this web site are only for reference.
 The products and their specifications are subject to change without notice. Contact our sales staff for further information before considering or ordering any of our products.
 For purchase, a product specification must be agreed upon.
2. Users are requested to provide protection circuits and redundancy circuits to ensure safety of the equipment, and sufficiently review the suitability of JAE's products to the equipment.
3. The products presented in this web site are designed for the uses recommended below.
 We strongly suggest you contact our sales staff when considering use of any of the products in any other way than the recommended applications or for a specific use that requires an extremely high reliability.
 - (1) Applications that require consultation:
 - (i) Please contact us if you are considering use involving a quality assurance program that you specify or that is peculiar to the industry, such as: Automotive electrical components, train control, telecommunications devices (mainline), traffic light control, electric power, combustion control, fire prevention or security systems, disaster evention equipment, etc.
 - (ii) We may separately give you our support with a quality assurance program that you specify, when you think of a use such as : Aviation or space equipment, submarine repeaters, nuclear power control systems, medical equipment for life support, etc.
 - (2) Recommended applications include:
 Computers, office appliances, telecommunications devices (terminals, mobile units), measuring equipment, audiovisual equipment, home electric appliances, factory automation equipment, etc

- Products**
- Connectors
 - User Interface Solutions
 - Motion Sensor Solutions

- Application**
- Handheld Devices
 - Home & Office
 - Infrastructure
 - Transportation
 - Industrial
