

G80YDR-P10UC00-000L
Mechanical coding: D
Color coding: green

- 1) ODU recommend an additional locking of the nut with adhesive (e.g. Loctite 2701) to the screw thread.
- 2) Maximal operating voltage at sea level up to 2.000m. Rated voltage applies to all other electrical safety standards. In case other standards rule a specific use of the connector, their application on specific safety criteria shall be considered. This must be evaluated in the frame of equipment engineering.
