

PLEASE CHECK WWW.MOLEX.COM FOR LATEST PART INFORMATION

**Part Number:** 0936014555  
**Status:** Active  
**Overview:** GWconnect Heavy Duty Connectors (HDC)  
**Description:** GWconnect STD - Standard, Single Lever Hood, Die-cast Aluminum, with 2 Pegs, Top Entry, Size 48B «104x62», Pg42 Thread, High Construction, Grey

**Documents:**  
RoHS Certificate of Compliance (PDF)

|-----------------------------|---------------------------------------------------------|
| <b>Agency Certification</b> |                                                         |
| CSA                         | 256883                                                  |
| UL                          | E249674                                                 |
| <b>General</b>              |                                                         |
| Product Family              | Industrial Connectors / Enclosures                      |
| Series                      | 93601                                                   |
| Component Size              | 48B «104x62»                                            |
| Component Type              | Single Lever Hood                                       |
| IP Rating                   | IP66, IP69                                              |
| Overview                    | GWconnect Heavy Duty Connectors (HDC)                   |
| Product Category            | Heavy Duty Connectors                                   |
| Product Name                | GWconnect                                               |
| Standard                    | ANSI/UL 50, ANSI/UL 50 E, CSA C22.2 No.94-1-2, EN 61984 |
| Type                        | STD                                                     |
| UPC                         | 887191833859                                            |
| <b>Physical</b>             |                                                         |
| Entry Location              | Top                                                     |
| Hood Coating                | Polyester Powder                                        |
| Hood Color                  | GREY RAL 7037                                           |
| Lock to Mating Part         | Yes                                                     |
| Material - Hood             | Die-cast Aluminum                                       |
| Material - Peg              | Stainless Steel                                         |
| Net Weight                  | 526.000/g                                               |
| Number of Pegs              | 2                                                       |
| Packaging Type              | Bag                                                     |
| Thread Size                 | Pg42                                                    |
| Thread Type                 | (Pg)                                                    |
| <b>Electrical</b>           |                                                         |
| Voltage - Maximum           | 500V                                                    |
| <b>Material Info</b>        |                                                         |
| Engineering Number          | 7848.6518.5                                             |
