This exploded view diagram illustrates the assembly sequence for a multi-layer printed circuit board (PCB) assembly. The components are numbered 1 through 8, indicating the order of assembly from bottom to top:

- 1:** The base PCB substrate, shown as a multi-layer board with mounting pads and vias.
- 2:** A bottom copper layer or prepreg layer.
- 3:** A core or prepreg layer.
- 4:** A prepreg layer.
- 5:** A prepreg layer.
- 6:** A prepreg layer.
- 7:** A prepreg layer.
- 8:** The top copper layer or prepreg layer.

The diagram shows how these layers are stacked and aligned to form the final multi-layer PCB structure.
