

Note:

- 1,environmental Requirements: Complies with RoHS certification
- 2,Appearance Quality Requirements: No damage or cracking on the wire body; no material shortage or shrinkage at the molded parts
- 3,Electrical Quality Requirements: Free from short circuit, open circuit and mismatching defects

Part: 0.2m Length, 3.0mm OD, A/C White Bundled Cable

6	Jacket Material & Color	Environmentally friendly PVC, White		
5	Core Material	10×0.09 mm ² national standard copper (for charging), compliant with RoHS testing		
4	Type	USB-A to Type-C 2-core charging cable Current: 1A		
3	Salt Spray Requirement	24H		
2	Flexing Test Requirement	1000 cycles		
1	OD	3MM		
No.	Meterial	Description
