Product Description

RS PRO Wire Brushes

RS PRO range of high quality brass and steel wire hand brushes, the Heavy-Duty Wire Brush, a versatile cleaning tool designed for both industrial and household use. This wire brush is equipped with an ergonomically long curved durable plastic handle, providing a comfortable grip and allowing for easy cleaning of nooks and crannies. Additionally, the tail of the brush comes with a hole for convenient storage and hanging. Ideal for removing paint stains, rust, welding slag, solder, scale, and other surface corrosion, this wire brush is a must-have for cleaning parts, equipment, machinery, and various surfaces. It is effective on materials such as iron, steel, wood, brick, stone, cement, plastic, rubber, and fiberglass.

Crafted from high-quality, durable steel wire, our Heavy-Duty Wire Brush ensures durability and effectiveness. Whether you're tackling tough industrial cleaning tasks or simply cleaning up around the house, this wire brush is the perfect tool for the job
