RS PRO Door Seal

RS Stock No.: 444-2537

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

From RS PRO, a brush bottom door seal or brush strip designed to provide protection from draughts under doors. This brush draught excluder consists of a heavy-duty aluminium carrier containing a brush with 26 mm polypropylene bristles which can seal gaps up to 25 mm. The brush strip has pre-drilled adjustable fixing holes for quick and easy installation and is supplied with plated steel screws.

This aluminium brush strip can be used on hinged doors, folding doors, sliding doors and garage doors to prevent draughts and to stop dust, debris and leaves entering from outside. These brush strip draught excluders are also ideal for use on uneven floors.
