RS PRO IEC C14 to C13 Y Junction Power Cord

RS Stock No.: 818-8908

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

A high quality and durable 'Y' junction power extension cord for connecting two computer appliances with C14 inlets to a single power input cord.
This extension cord is fully equipped with an IEC C14 type male plug on one end and two IEC C13 female sockets on the other.
The cable features integrated strain reliefs that provide additional protection and support to the connectors and protects them against damage from excessive bending.
