RS PRO Cable Clip

RS Stock No.:

8178952,8178956,8178968,8178959

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

- Cables clips such as these are handy for securing many kinds of electrical wires found on television sets, audio equipment and domestic appliances. They also help remove tripping hazards and improve the safety of your home or office. These components are made from UL (Underwriter Laboratories) 94 V-2 approved material, which means they're flame-retardant and don't pose a fire hazard.*
