Technical drawing of a 100mm high wall bracket. The drawing shows a cross-section of the bracket mounted on a wall. A vertical dimension line on the left indicates a height of 117.5mm from the base of the bracket to the top of the mounting plate. The bracket has a central mounting plate and two side plates. The side plates are secured with screws. The central mounting plate has a slot for a screw. The drawing is labeled with the number 100 at the bottom, indicating the height of the bracket.
